

Governance is more than governments ...

... it involves diverse people and groups coming together to learn, discuss and inform decisions ...

“a comprehensive and inclusive concept of the full range of means for deciding, managing, implementing and monitoring policies and measures.” (IPCC, 2018)

... and it takes place at many levels:

GLOBAL

REGIONAL

NATIONAL

LOCAL

Governance considers risks against risks – known and unknown.

RISK OF NOT DOING  
RISK OF DOING  
SYNERGIES  
TRADE-OFFS  
INTERLINKAGES

WHY

Governance can lead to less of something, more of something, or doing it differently.

INCENTIVES AND SUPPORT

INTERNATIONAL COOPERATION

RULES AND REGULATIONS

GUIDELINES AND CODES OF CONDUCT

Governance needs us all.
